Chess Camp 13 - 27 July

In the beautiful nature park with clear, transparent sea, on the Makarska Riviera, one of the most beautiful areas in Europe, with many pristine beaches that are among the most beautiful in the world, chess players will have the opportunity to acquire better chess skills in the camp led by experienced GM coaches: Adrian Mikhalcishin, Darko Anic, Ognjen Cvitan, Gilles Miralles and Zlatko Klaric.

We are especially pleased to announce that the best chess player of all times, Mr. Garry Kasparov, will visit the event.

The lectures will be held as needed in Croatian, English, French, German, or Russian. Besides the chess camp, there will be numerous chess tournaments: two Open tournaments, one Rapid and one Blitz tournament.
